european
board of
urology

Dates	10-14 (Monday-Friday) March 2025
Time	Daily for 24 hours
Format	Online test in collaboration with Televic
Duration	2 hours
Language	English

Objective

The In-Service Assessment (ISA) is a self-assessment allowing candidates to evaluate their current knowledge base against European standards.

Assessment

This closed-book test consists of 100 single correct answer Multiple Choice Questions (MCQs) covering all fields of urology.

assessmentQ

The test is organised with our partner Televic and taken via their platform assessmentQ

Fees per candidate

- € 80,00: Regular fee.
- € 60,00: Reduced fee for applicants from an [EBU Certified Training Centre](#)

Cancellation policy

In case of cancellation or no-show, there will be no refund. If a candidate is registered twice, once individually and once as part of a group, the individual registration is cancelled by us.

Learning Tool

During 30 days after announcement of the result, the MCQs, including detailed validation comments on each question, will be available for participants in assessmentQ. This provides them the opportunity to review the assessment and learn.

Analysis

There is no pass/fail mark. For the statistical analysis the scores of all candidates are combined.
